RAPALLO

I INTRODUCTION

RAPALLO!

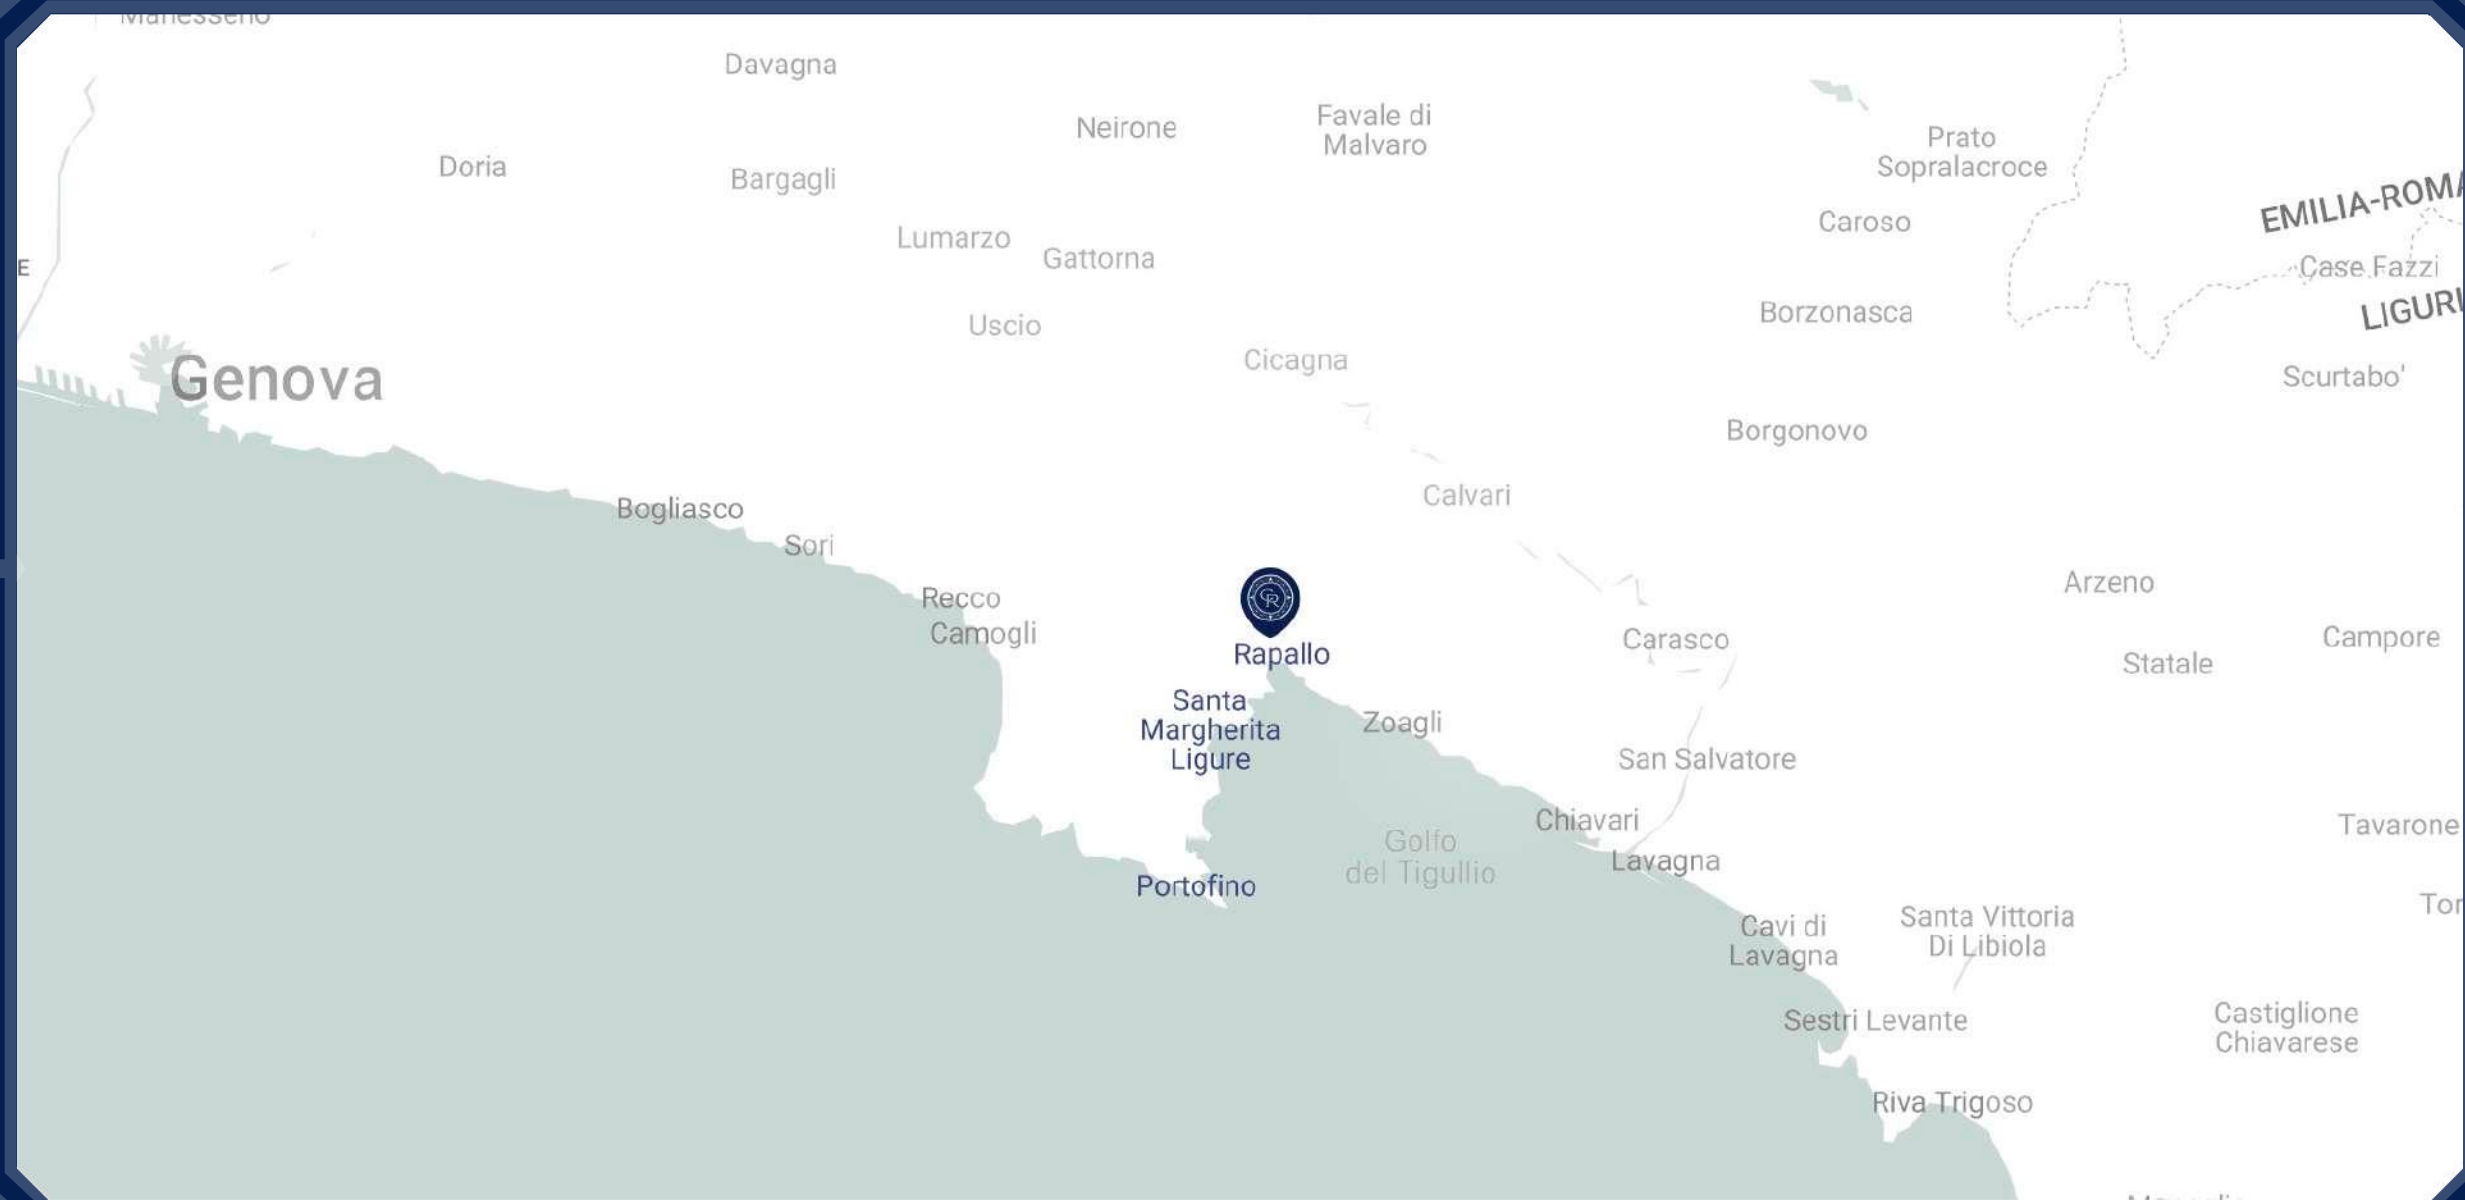

A laid-back exclusive destination in the heart of the glamorous East Coast of Liguria, alluring international refined tourists since the last century.

LOCATION

-

Rapallo is the largest town in the area of the Gulf of Tigullio. Nestled on the bottom of a beautiful bay, it is protected by the Mount of Portofino.

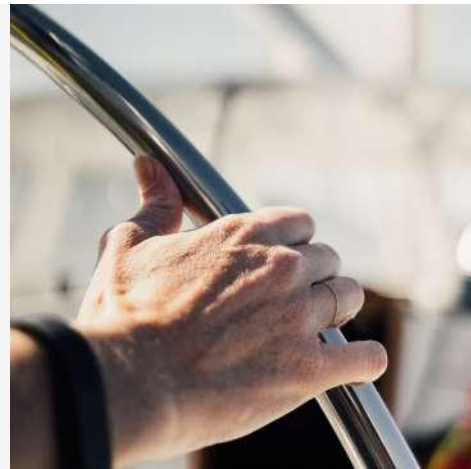

PORTO CARLO RIVA

Maximum security, innovation and modernity make Porto Carlo Riva the only superyacht marina in the East Coast of Liguria. Passionate sailors and tourists are greeted to experience the best world-class yachting facilities and glamorous F&B offer.

WE ARE

PASSIONATE

-

Our true passion for yachting, the refined taste for design and the genuine extra-care for our beneficiaries still guide us to offer the most innovative and creative solutions.

OPEN

-

We welcome opportunities with an open heart and a positive approach.
We curate vibrant experiences that bound together people from different walks of life.

LAID-BACK

-

Never striving to astound, we naturally charm with impeccable manners and a certain allure. We like to match heritage glam with modern elegance: style joins ease in a laid-back environment.

GLOBAL MINDSET

-

We provide Italian excellence and expertise around the world. Our international experience has always pushed us to raise our standards and offer the best service for our clients.

WE BELIEVE IN

EXCELLENCE

-

Our experience is rooted in truthful heritage and honest visions of the future. Working with the best in-class talents and creators we deliver only services of the highest quality.

INNOVATION

-

A platform able to stimulate the curiosity of the visitor and the users; to find new ways to move forward, for the innovation and to improve the services.

CONNECTION

-

Thanks to a culture of warmth and belonging, we create a community connected by love of the sea, appreciation of beautiful design and genuine service.
